AUTENTICITÀ IN FORMATI MODULARI

La collezione si ispira alle pietre di recupero restituendo l'effetto del tempo e dell'usura, con una superficie morbida e i bordi lavorati. Si declina in quattro colori naturali, in formati modulari disponibili anche per esterno, per una continuità cromatica tra indoor e outdoor. Un mosaico dall'effetto rustico e un brick completano la gamma per arricchire rivestimenti interni ed esterni.

AUTHENTICITY IN MODULAR SIZES

The collection is inspired by reclaimed stone, offering the effect of time and wear, with a soft surface and finished edges. There are four natural colours in modular sizes, also available for outdoor use, for continuous colour from indoors to outdoors. Mosaic with a rustic effect and brick complete the range to enrich interior and exterior coverings.

RIVESTIMENTO 6mm

I listelli dal nuovo spessore arricchiscono la gamma e completano l'offerta. Il formato permette diverse soluzioni di posa: herringbone, a muretto, a correre, anche mixando fra loro i colori della collezione.

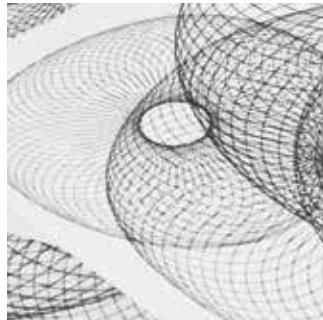

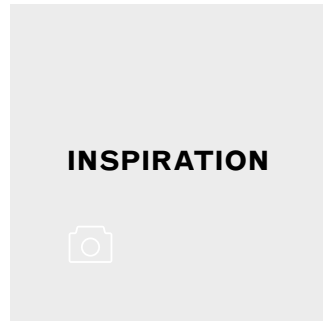

6mm WALL

Strips in the new thickness add to the range and complete the selection. This format permits a number of different laying solutions: herringbone, brick bond, or running bond pattern, mixing and matching the colours in the collection.
